Volleyball tourney at Centre

by Ursula Rossmore

Conestoga College earned its place in the women's Tour of Central Ontario volleyball tournament held at the Sports Dome plus \$14, 11 & 12. Montreal finished second in the event. In Class two, third place: the Vikings from Waterloo and the Condors from the Capital Region.

Condor coach Anne Galtier

was extremely pleased with the girls' performance. All games were close. The girls played both offense and defense very well.

In the Friday night last game, the Condors lost to the Montreal 11-15.

Montreal coach Steve Foster was disappointed with the Condors' performance. "Conestoga's improved a lot this year. It's a little late for the season for them, but they've come a long way."

Montreal's Conestoga wrapped Vancouver 10-14. Though it lost three sets to each opponent, the five girls they carried in the Ontario provincial playoffs were in play more effectively and gave them a decided edge in the game. Conestoga coach Steve Foster said: "A strong effort on the part helped Conestoga win the 11-15."

In Saturday's Friday night game, St. John's lost Conestoga 10-15, 11-15, while Montreal lost 11-15, 12-15.
